

## 41 - Llaves mixtas contraacodadas métricas

### Description:

- Llaves mixtas contraacodadas: el espacio bajo el mango facilita el paso de los dedos o de un obstáculo. Ideal para las tuercas en serie.
- Cabeza 12 caras con perfil OGV® para un apriete potente protegiendo la tuerca.
- Cabeza horquilla inclinada a 15°.
- Dimensiones métricas: de 6 a 32 mm.
- Presentación: cromada satinada.
